## Being About the Father's Work

November 2024

### Annual ICM-Africa Meeting

Our annual October gathering of our staff in Moshi was a time of refreshing for everyone, and an opportunity to fine-tune some skills and processes. These men and women work very hard all year teaching for us, as well as running their own churches, businesses, and families. They are truly called to this work, and they inspire us to persevere on their behalf for as long as God allows us to.

This was Class #21 of our Certificate in Church Planting course which recently graduated from our Mt. Meru campus in Tanzania. The majority of men who graduate from this one-year program end up planting new churches within their current denominations. The Word is multiplying exponentially through them! Instructors Emanuel (left) and Obed (right) stand with them proudly.

Pastors Jim and Edmond in South Sudan last month working with another great group of pastors, as well as training 5 graduates from the first class to be instructors, and training 2 new missionaries who will watch over the program for "In Deed and Truth Ministries." PTL!

Pastors Jeremiah, Edward, and Jim traveled together by bus and spent the last 2 weeks of October conducting the second session of our first diploma class in Nairobi, Kenya. These are the top 3 men in the ICM-Africa ministry, and it isn't often they get to work together due to needing to spread their expertise and wisdom around. They had a great time!

Last month, our fifth class of women graduated from the Certificate in Bible Teaching program. Do you see the sheer joy on their faces for having accomplished something very few have ever been given the opportunity? PTL!

**PRAYER REQUESTS**

- We continue to be amazed at the number of classes and students that are in process/ongoing at the moment. God calls them, we train them, and the Lord uses them for the building of His Kingdom!
- Pray for favor for us again with the Tanzanian government, as we are renewing our work permits and residency visas for another 2-year term. It is always full of challenges, but may the Lord be glorified.
- We will make a short trip into a closed country in early November. Pray for our safety and wisdom.
- Jim and Edmond will travel to Liberia for the second session of that diploma class November 9-21. Pray for all the students to return, and for there to be good understanding of the Word as it is taught.
- We will return to the US by Thanksgiving and hope to see many of you as we continue to share with local churches what God is doing in Africa.
